Director/Chair: Dr. Scott Walter (Dean)

Assessment Lead: Connor Franklin Rey, M.A.

Step 1: Student Learning Outcome

DLO 3 (Incorporate): Students will develop their own expertise by articulating and sharing their ideas through synthesizing and citing/attributing the sources/ideas they discover and select. ACRL Frames: Information Creation as a Process, Information has Value, Scholarship as Conversation.

Step 2: Assessment Methods and Measures

Plagiarism online quiz available in the Library Plagiarism Tutorial: https://libguides.sdsu.edu/onlineinstruction/plagiarism.

Step 3: Criteria for Success

Users are utilizing this quiz as a method to test their understanding of key concepts. It is expected that if there are multiple attempts by the same user, there will be improvement over time.

Step 4: Summary of Results

500 individuals completed the quiz during Spring 2026 between February 12, 2026 and May 14, 2026. The students were from a variety of majors across all colleges, including several graduate students; additionally, there were many non-SDSU affiliated individuals completing the quiz. The average score was 93.1%, with 485 users scoring over 80 on the quiz.

Step 5: Action Plan

TBD - The data are still being discussed within the Library faculty.
