

Credits Earned by High School Students SDSU Senate (extracted September 5, 2023)

1.0 Upon recommendation by their counselor, principal, or the coordinator of a gifted students program, students who have completed their junior year of high school and are of exceptional academic ability and achievement may apply for admission to the SDSU Summer Session program. Credits earned during the summer shall be placed on a permanent record by the Office of the Registrar and may be applied toward a degree at San Diego State University. Registration in a particular course shall be subject to the approval of the instructor.

2.0 International Baccalaureate Program: Students who have completed the requirements for the International Baccalaureate Diploma may be admitted to San Diego State University. Course credit for specified courses or advanced placement for specified test scores may be awarded at the discretion of appropriate departments or schools.
