

## Study Abroad Requirement Questionnaire

Please review and respond to the following questions regarding the study abroad requirement associated with this program. This includes whether the program introduces a new requirement or modifies an existing one. Provide clear, concise responses and attach this completed questionnaire to the Program Proposal.

- 1) If this proposal modifies an existing study abroad requirement (Program Modification), describe the specific changes being made. In your response, address only the questions below that are relevant to the proposed modification.**

- 2) Describe the nature of the study abroad requirement and its purpose within the program.**

- 3) Explain how the study abroad requirement supports Degree Learning Outcomes (DLOs) and how student learning will be assessed.**

- 4) If the requirement includes an internship or work experience, describe how the experience will be monitored and evaluated.**

- 5) List any SDSU, CSU, or third-party programs that fulfill this requirement.**

- 6) Explain how students will be advised and supported in completing the study abroad requirement.**

**7) Describe available financial assistance to help students meet this requirement.**

**8) Describe alternative academic experiences for students who are unable to participate in study abroad (e.g., place bound students).**

**9) Describe any special requirements or alternative options for international students.**
